EDUCATION

SGGSIE&T, Nanded (Government-Aided Autonomous Institute)

Bachelor of Technology in Electronics & Telecommunication

May 2026

CGPA: 7.5/10

– Relevant Computer Science Coursework: Object-Oriented Programming, Database Management Systems.

TECHNICAL SKILLS

Languages: Java, C, SQL
Web: HTML
Databases: MySQL
DevOps: Docker, Kubernetes, Maven
Tools: Git, GitHub
Frameworks: Spring Boot, Hibernate

SOFT SKILLS

Leadership: Team Management, Project Planning
Communication: Public Speaking
Collaboration: Mentoring
Problem Solving: Critical Thinking
Organization: Time Management, Task Prioritization
Adaptability: Fast Learning, Flexibility

PROJECTS *Visit <https://github.com/Vaishnavraj2509?tab=repositories> for more projects.*

Ecommerce Website | *SpringBoot Java* [GitHub Link](#)

August 2025 - Present

– Developed backend of a full-stack E-commerce website using Spring MVC for RESTful APIs and Spring Security for authentication and authorization, implementing features such as user registration/login, role-based access control, and secure session management.

Student Management System | *Java Springboot JDBC* [GitHub Link](#)

March. 2025

– Developed a Student Management System using Spring Boot, JDBC, and PostgreSQL, implementing full CRUD operations with clean architecture, modular code structure, and efficient database interaction.

Car Rental System | *Java OOPs* [GitHub Link](#)

April. 2025

– Built a console-based Car Rental System in Java, applying OOP principles like encapsulation, inheritance, and polymorphism. Features include car listing, booking, and return functionalities.

Number Game | *Core Java* [GitHub Link](#)

June. 2023

– Developed an engaging and efficient console-based number guessing game using Java. The game allows players to guess a randomly generated number between 1 and 100 within 3 attempts, offering real-time feedback after each guess.

EXPERIENCE

Co-Founder | *Renovative.co, Digital Marketing Startup*

Mar 2023 – Sep 2023

– Provided marketing services to home renovation contractors, enhancing visibility and client acquisition
– Specialized in social media campaigns, and lead generation to drive business growth

Java Developer | *At CodSoft*

April 2024 – May 2024

– Completed given tasks using OOP, file handling, and exception management. Strengthened core Java skills, debugging techniques, and time management by delivering tasks within deadlines.

Student Joint Coordinator | *Pragya Technical Event*

Sep 2024 – April 2025

– Coordinate 3 interdisciplinary committees, enhancing event planning and execution efficiency
– Facilitate cross-functional team collaboration and strategic communication

CERTIFICATIONS - [DRIVE LINK](#)

• Fundamentals of Java Programming

May 2025

• Java Skill Achievement HackerRank

Aug 2024

• Java Programmer at Codsoft

Dec 2024

• Winner in Zenith Sport Event

Feb 2025

ACHIEVEMENTS

- Solved 150+ Data Structures and Algorithms problems across coding platforms.
- Achieved top-tier ranking (below 200) on GeeksforGeeks among 28,000+ alumni.
- Won 1st place in Kabaddi at Zenith 2024 and Mesa 2024 college sports events.
