EDUCATION

- **Bachelor of Science in Computer Science** CGPA: 9.23 / 10
Shankar Narayan College Of Arts and Commerce (affiliated to Mumbai University) 2020 - 2023

EXPERIENCE

- **Full Stack Web Application Developer at Skillogic Technologies (Remote)** Jul 2025 - Present
 - Building and maintaining scalable web applications with Laravel (backend) and React (frontend), focusing on clean, secure code and modular design.
 - Collaborating remotely with cross-functional teams to deliver client-specific web solutions under tight timelines.
- **Junior Full Stack Web Developer at Technicul Cloud LLP, Mumbai** Oct 2023 - Oct 2024 (Onsite)
 - Developed and maintained Laravel-based REST APIs for real-world apps like Posterking and Doornext, powering communication with mobile frontends (Flutter).
 - Worked across full stack: Laravel (backend), MySQL (DB), JavaScript/Bootstrap (frontend).
 - Improved performance and UI consistency across major projects like Eternal Weddingz, SeaAndBeyond, and Archerkids.
 - Collaborated with team leads to debug production issues and implement new feature modules on tight deadlines.

KEY INTERESTS

Full Stack Web Development Application, Software Development, DevOps

TECHNICAL SKILLS

- **Languages:** JavaScript
- **Web Development:** HTML5, CSS3, Bootstrap and Basics of ReactJS and TailWind
- **Cloud/Databases:** MySQL (Relational Database)
- **Frameworks:** Laravel (PHP) Framework
