Experience

Full Stack Developer, Discover Resorts |

July 2024 – Present

- Developed and maintained the Inventory Management System to streamline stock tracking and enhance operational efficiency.
- Led the integration of Zoho CRM and Ezee to improve data synchronisation and workflow automation.
- Collaborated with cross-functional teams to design and implement scalable solutions.
- Ensured high performance and responsiveness of applications using modern web technologies.

Full Stack Developer, Brain Vision Technology |

Sep 2022 – June 2024

- Developed a College ERP System to manage student records, courses, attendance, and fees.
- Designed an intuitive frontend using HTML, CSS, and JavaScript.
- Implemented backend functionalities with JAVA and MySQL for seamless data management.

Projects

Zoho-Ezee Integration | Data Integration

- Designed and developed a data integration toolkit to facilitate seamless synchronization between Zoho and Ezee systems. The solution automates the retrieval, transformation, and updating of reservations, bookings, and financial data between the platforms. The system is built using Java and follows a modular architecture to ensure scalability and maintainability.

Collage ERP System |

- The main objective of developing this project was to create a website for the College, from which users can get the details of the college and to maintain the record of Students. This project is used to keep a record of students, courses, attendance, and fees. The technologies used are for Frontend we use HTML, CSS, and JavaScript and for the Backend we used JAVA, MySQL.

Technical Skills

- Programming: JAVA, SQL, PHP
- Web Development: HTML, CSS, JavaScript
- Databases: MySQL, RDBMS, PL SQL
- Tools & Technologies: Postman, Oracle, Eclipse, Visual Studio, IntelliJ IDEA, Anaconda, Zoho Creator, Spyder, PyCharm..

Education

Marathwada Institute of Technology, Aurangabad

Aug 2018- July 2022

Bachelor of Technology (Computer Science & Engineering) | CGPA: 8.19

Aurangabad, Maharashtra

Extracurricular & Certification

- Completed the star pattern program in Coding Competition (Second Year) in MIT Aurangabad and got the 2nd position in the competition.
- Participated in many sports activities like Badminton and Cricket.
- Full Stack Development Certification
