## Cyber Security Analyst

### SKILLS

- **Languages:** Python, Bash
- **Frameworks:** OWASP, MITRE ATT&CK, NIST (CSF), Metasploit
- **Tools/Platforms:** Splunk, VMware, AWS, Wireshark, Nessus, Burp Suite, Kali Linux
- **Technical Skills:** System Administration, Networking
- **Soft Skills:** Problem-Solving Skills, Teamwork and Collaboration, Project Management, Adaptability and Flexibility

### INTERNSHIP

- **Summer Training Internship -Red Hat Linux System Administrator** June-July 2024  
*LPU Intern*
  - **About:** Learned to troubleshoot Linux systems and automate administrative tasks using commands and bash scripts. I have gained hands-on experience with system configuration and issue resolution.
  - **Tech stacks used:** Linux Commands, Automate Scripts, System Troubleshooting.

### PROJECTS

- **Vulnerability Scanner for Websites:**  
Developed a Python-based vulnerability scanner to detect security vulnerabilities in websites. Integrated open-source tools like OWSAP ZAP and Nikto to automate scanning for common security issues. Designed the tool to provide actionable reports on detected vulnerabilities, helping users identify and address vulnerabilities security risks effectively.  
**Tech:** Python, ZAP, Nikto
- **Digital Café:**  
Constructed a web application for café called Delight Café. dynamic navigation between categories without page reloads, enhancing user experience through interactive, client-side functionality with JavaScript.  
**Custom Domain** Web Application  
**Tech:** HTML, CSS, JavaScript

### CERTIFICATES

- CompTIA Network+ June 2024
- CompTIA Security+ January 2025

### ACHIEVEMENTS

- **Participation at Capture the Flag (CTF) at University:** November 2023  
At 12 hrs. CTF by CISCO x IGEN Community secured 5<sup>th</sup> rank.
- **Volunteer, DSCI Annual Information Security Summit (AISS) Delhi 2024**  
Coordinating sessions and assisting speakers, Gained insights from industry leaders on emerging trends in data security and risk management.

### EDUCATION

- **Lovely Professional University** Punjab, India  
*B.Tech. (Hons.) (CSE- Cyber Security and Block Chain) ; CGPA: 6.32* Since August 2022
- **D. Y. Patil Collage Kolhapur** Kolhapur, Maharashtra  
*Intermediate; Percentage: 78%* April 2021 - March 2022
- **Shri Ram Highschool Kuditre, Kolhapur** Kolhapur, Maharashtra  
*Matriculation; Percentage: 87%* April 2019 - March 2020
