EDUCATION

Post Graduate diploma in Advanced Computing - CDAC | CDAC Kharghar

- CCEE Score: 68.44%

BE in Information Technology with honors in AI - Mumbai University | Vidyalankar Insitute of technology

- Duration: 2021-2024
- CGPA: 9.15

HSC - State Board | KET's V.G. Vaze college of Arts, Science & Commerce

- Duration: 2018-2020
- Percentage: 60%

SSC - State Board | St Mary's English High School

- Duration: 2017-2018
- Percentage: 87.20%

PROJECTS

SkyFleet Rentals | Java (Spring Boot)

Developed a comprehensive drone rental platform enabling users to browse, book, and manage drone rentals with integrated payment processing and administrative controls. Full-stack drone rental platform built with Spring Boot and React.js. Features include user authentication (JWT + Google OAuth2), Razorpay payment integration, admin dashboard, booking management, and responsive UI. Implemented RESTful APIs, role-based access control, and secure payment processing with MySQL database integration.

iLearnConnect | REACT

Designed and developed a web-based system to manage student and educational organization activities. The system had three major interfaces: admin, student, and professor, each with its own set of functionalities. MySQL was used to handle the database, where schemas, table structures, and relations were planned and executed to support large datasets. The project required efficient database management and operations for smooth functioning.

SKILLS

Technical Skills

- Languages: SQL, JAVA, HTML, CSS, JavaScript
- Databases: MySQL, PostgreSQL
- Tools: VS code, Postman, Swagger UI, Spring tool suit4, Eclipse, IntelliJ, Git & git hub, MySQL client.
- Key competencies: SpringBoot, Hibernate, JDBC, Servlets, JSP, MVC Architecture, React.

Soft Skills

- Communication
- Leadership
- Quick Learner
- Planning
- Time Management
