OBJECTIVE

Motivated MCA student and passionate Java Developer eager to apply programming and problem-solving skills in building scalable applications. Seeking an entry-level role where I can contribute to software development using Java, Spring Boot, and SQL, while continuously enhancing my technical expertise in a collaborative environment.

SUMMARY

- Strong understanding of Core Java, OOPs concepts, and Data Structures.
- Hands-on experience with Spring Boot, RESTful APIs, HTML, CSS, JavaScript, and SQL.
- Knowledge of Agile development, debugging, and exception handling.
- Quick learner with excellent analytical and teamwork skills.

TECHNICAL SKILLS

Programming Languages: Java, SQL, JavaScript

Frameworks: Spring Boot

Frontend: HTML, CSS, JavaScript

Database: MySQL

Tools: Eclipse, VS Code

Concepts: OOPs, REST APIs, Exception Handling

PROJECTS

Helmet and Number Plate Detection and Recognition

Technologies: Python, OpenCV, TensorFlow

Developed a system that detects riders without helmets and extracts license plate numbers using image processing and machine learning. Enhanced road safety monitoring by integrating automatic detection modules for traffic enforcement.

Implementation of Blockchain Technology in Forensic Evidence Management

Technologies: Java, Spring Boot, MySQL, Blockchain Concepts

Designed a secure, tamper-proof evidence tracking system ensuring transparency and integrity of forensic data. Implemented smart transaction records for enhanced reliability in legal investigations.

EDUCATION

Master of Computer Applications (MCA) — VR Siddhartha Engineering College, Vijayawada (2023 – Expected May 2025)

Bachelor of Science (Computer Science) — Adikavi Nannaya University, Rajamahendravaram (2019 – 2022)

Intermediate (MPC) — Triveni Junior College, Jangareddygudem (2017 – 2019)

SSC — Vasishta English Medium School (2017)

CERTIFICATIONS

- Java Programming — Udemy (Sep 2024)
- HTML & CSS — Udemy (Aug 2024)

STRENGTHS

- Highly motivated and passionate about learning new technologies.
- Strong problem-solving and analytical abilities.
- Effective team player with good communication skills.
