SUMMARY

Motivated and passionate software developer with strong foundational skills in programming and web development. Recently completed training in software development and gained hands-on experience in building web applications. Quick learner with a keen interest in coding, problem-solving, and working on real-world projects. Looking for an opportunity to start a career in a dynamic and growth-oriented tech environment.

SKILLS SUMMARY

- **FRONT END** HTML, CSS, Bootstrap, JavaScript, React.js,
- **BACK END** Core Java, Springboot
- **DATABASE** PostgrSQL
- **HARD SKILLS** Teamwork and collaboration, Problem-solving, Time management, Adaptability, Quick learner, Critical thinking

PROJECTS

Bus Ticket Booking System (Java Console Level Project)

- Built a mini bus ticket booking system using core Java.
- Users can easily book, cancel, and check tickets through a menu.
- Used object-oriented concepts to manage buses and bookings.
- Booking data saved using simple file handling.
- Designed for smooth and user-friendly console experience.

E-commerce Web Application (Java Full Stack)

- Developed a user-friendly online shopping website with product browsing and cart features.
- Built front-end using HTML, CSS, and JavaScript for a smooth shopping experience.
- Created back-end using Java, Spring Boot, and connected to a PostgrSQL database.
- Implemented features like user login, product search, add to cart, and order placement.
- Ensured data flow between front-end and back-end using RESTful APIs.

EDUCATION

M.A.M College of Engineering

B.Tech- IT; CGPA: 7.0

Trichy, Tamil Nadu.

2021-2025

Sri Vignesh Polytechnic College

Diploma in Mechanical Engineering

Percentage :70%

2017-2020

CERTIFICATION

Java Full Stack Developer – Login360

- Completed hands-on training in both front-end and back-end development using Java technologies.
- Gained practical experience in building web applications with HTML, CSS, JavaScript, Java, Spring Boot, and PostgrSQL.
- Worked on real-time projects to understand full stack development lifecycle and best coding practices.
