## Java Developer

With 1.6 years of industrial and academic internship experience, I have honed my skills in project management, data analysis, and research. Spearheading various tasks, I optimized processes and contributed to overall operational efficiency. Leveraging my domain expertise, I successfully completed work lists, ensuring high-quality deliverables and gaining hands-on experience in the industrial and academic sectors.

## WORK EXPERIENCE

### Apoliums Infotech Private Limited

01/2024 - Present

#### Java Developer • Full-time

Indore, India

Java Developer with 1.6 years of hands-on experience in building scalable, high-performance applications in the **courier services domain**. Developed and maintained **RESTful APIs** and **microservices** using **Java 8**, **Spring Boot**, and **Spring MVC**, ensuring efficient system communication and modular architecture. Integrated **RabbitMQ** to enable asynchronous message processing for real-time courier updates. Implemented secure authentication and authorization mechanisms using **Spring Security** and **JWT**. Utilized **Hibernate**, **JPA**, and **JDBC** for robust and optimized database access. Collaborated with cross-functional teams in an **Agile (Scrum)** environment to deliver features such as **SMS-based courier notifications** using customer phone numbers. Managed source code and branching strategies via **GitHub**, and participated in **code reviews** and **continuous integration** activities to ensure code quality and deployment readiness.

### Open Dox Technology

04/2023 - 10/2023

#### Internship Java Developer | Open Dox Technology | Apr 2023 – Oct 2023 • Internship

Indore,  
India

- Gained practical experience in **Java-based technologies and frameworks**, applying newly acquired knowledge to complete various development tasks for a project.
- Contributed to project development through hands-on application of learned concepts, enhancing foundational skills in modern software development.

## EDUCATION

### BCA in Information Technology

Makhanlal Chaturvedi National University • GPA: 89.7

Dhamnod • 06/2019 - 07/2022

#### Senior Secondary 12th

Government Higher Secondary School

Dharampuri

#### Secondary 10th

Government Higher Secondary School

Dharampuri

## CERTIFICATIONS

### Corporate Training Certificate

07/2022 - 02/2023

Prestige Point Institute, Indore

## PROJECTS

### Supply Chain Management System

Apoliums Infotech Private Limited

- Developed a **B2B e-commerce platform** focused on streamlining supply chain operations.
- Provided core functionalities including **receivable, claim, and invoice management**.
- Built using **Java** and **Spring Boot**, leveraging **RESTFULL APIs** for efficient data exchange.
- Implemented **JWT** to ensure robust security for transactions and user interactions.
- Utilized **MySQL** as the backend database for reliable data storage and retrieval.

### Real Estate Listing & Booking Platform

Apoliums Infotech Private Limited

- Created a **Microservices-based Real Estate web application** that empowered customers to search, view details, and submit booking requests for properties by area.
- Built core functionalities using **Java, Spring Boot, JPA**, and **RESTful APIs**, ensuring secure data handling with **MySQL**.
- Implemented **RabbitMQ** for efficient asynchronous communication and utilized **JSP** for the user interface.
- Maintained **code quality** and stability through rigorous **JUnit** testing and **SonarLint** analysis.
- Managed project build with **Maven** and deployed the application on **Apache Tomcat**.

## SKILLS

**Programming:** Java, JavaScript

**Frameworks/Libraries:** SpringBoot, Spring MVC, Hibernate, JPA

**Tools:** Docker, Git, SonarLint, JIRA, RabbitMQ, MYSQL

**Testing:** JUnit, Postman
