

ALTHAF A K

+91-9061409092 — Kochi, Kerala
althafak.mec@gmail.com — linkedin.com/in/althaf-ak

Objective

Enthusiastic engineering graduate with a strong interest in software development and IT. Skilled in C, C++, Python and web technologies, with hands-on project experience. Looking to contribute to innovative software solutions in a dynamic tech environment.

Education

| | |
|--|------------|
| B.Tech in Electrical and Electronics Engineering , Govt. Model Engineering College, Kochi | 2021–2025 |
| Class XII , Vidyodaya School, Thevakkal | 2018–2019 |
| Class X , Cochin Public School, Thrikkakara | 2016- 2017 |

Skills

Technical: C, C++, Python, HTML, Web Development, Arduino & Embedded Systems, Circuit Designing, MATLAB

Soft: Teamwork, Communication skills, Time Management, Problem Solving, Leadership, Creative & Critical Thinking, Resilience.

Work Experience

Online Sales Manager

AL Hussai Restaurant, Ernakulam 2022 – Ongoing

- Managed customer interactions and digital orders via social platforms, improving responsiveness and satisfaction
- Boosted online sales through promotional campaigns and limited-time digital offers
- Applied basic data tracking and coordination systems to ensure smooth kitchen-to-customer delivery

Content Creator

Promise realtors, Ernakulam 2022 – Ongoing

- Created and edited promotional digital content for real estate
- Increased audience engagement and improved lead generation through targeted campaigns
- Gained digital hands-on experience with digital tools and visual editing software

Projects

Online Train Ticket Booking App

Developed a desktop application for searching, booking and managing train tickets with file handling and user authentication.

Technologies used: C++, VSCode

Digital Tachometer

Developed is used to measure the rotational speed of motors using an infrared sensor and microcontroller logic.

Technologies used: Arduino, IR Sensor

Extracurricular Activities

- Participated in **Full Stack Web Development** Workshop at NIT Calicut
- Attended **Robotics Workshop** at NIT Calicut gaining hands-on experience in basic robotics
- Attended **Digital Marketing Workshop** learning core concepts of online promotion
- **Publicity Manager**, Excel 2024 – Led internal publicity efforts for **national-level techno-managerial fest**; managed 50+ volunteers and boosted event registrations through digital campaigns
