 - Enhanced UI/UX design skills and gained hands-on experience with Visual Studio Code.
- Web Development Intern – CodSoft** April 2024 – May 2024
- Completed a work-from-home internship focused on web development.
 - Developed dynamic web applications, including a To-Do List, Simple Calculator, and Password Generator, using HTML, CSS, and JavaScript.
 - Strengthened front-end development skills and gained experience in creating interactive and user-friendly web interfaces.

Projects

- Multimart** | *HTML, TailwindCSS, JavaScript, ReactJS, FireBase* [Live link]
- Developed a **React-based**, integrated data security with **Firestore and MERN** (MongoDB, Express.js, React.js, Node.js) web application, enhancing shopping experience.
 - Integrated features such as **user account creation/management, product recommendations, search filters, cart management, and secure payment processing** to ensure customer satisfaction.
 - Developed a responsive, user-centric FurniClub interface optimizing load times, and implemented robust data security features with 100% effectiveness in protecting user data.
- Chess** | *HTML, CSS, JavaScript* [Live link]
- Developed a 2 player chess game entirely using HTML, CSS, JavaScript.
 - Design and implemented all game move independently.
 - Created an interactive user interface that allows for intuitive gameplay and interaction.
- Tic-Tac-Toe** | *HTML, CSS, JS* [Live link]
- Developed an interactive version of the classic Tic-Tac-Toe game.
 - Implemented a simple two-player game with a creative design for fun.

Certifications and Licenses

- **Computer Hardware Basics** – CISCO [\[Certificate\]](#)
- **Engaging Stakeholders for Success** – CISCO [\[Certificate\]](#)
- **CSS, JavaScript, and Python** – Udemy [\[Certificate\]](#)
- **Introduction to Microsoft Excel** – Coursera [\[Certificate\]](#)
- **Data Visualization with Power BI** – My Great Learning [\[Certificate\]](#)

Achievements

TechFusion – Event Coordinator

- Successfully organized and coordinated the **TechFusion** event, involving more than **100+** participants.
- Managed event logistics, scheduling, and ensured smooth execution of multiple tech-based competitions.

Fiesta – Event Coordinator

- Led the coordination of the **Pictionary** event, enhancing participant engagement and creativity.
- Facilitated communication between participants and judges, ensuring a seamless event experience.

Research Publication

- Published "**Data Science: A Review on Sprouting Technology**" in **ICIRCSIT 2024**.
