Summary

Driven and adaptable B.Tech graduate in Information Technology with hands-on internship experience in web and Java development. Proficient in Java, Advanced Java, and Spring Boot, with solid expertise in front-end technologies like HTML, CSS, and JavaScript. Skilled in modern frameworks such as React.js, and experienced in database management using MySQL and SQL. Also knowledgeable in Android development with Android Studio and Firebase. Passionate about leveraging my technical skills to deliver impactful solutions in a dynamic and collaborative environment.
