EXPERIENCE

Java Programming Intern — Prodigy Infotech (Remote Internship)

March 2025 – April 2025

- Applied 4 OOP principles (Encapsulation, Inheritance, Polymorphism, and Abstraction).
- Created 5+ reusable methods, improving code readability and reducing duplication by 30%.
- Delivered 3 Java modules within deadlines, ensuring 100% functionality coverage.

Salesforce Developer Trainee — AU Ignite Skill Academy

May 2025 – July 2025

- Customized Salesforce objects and 10+ fields, tailoring data structures for client use cases.
- Created and tested validation rules , workflows , automation processes in Salesforce.
- Built record types and page layouts to tailor user experiences.
- Practiced automation tools (Process Builder, Flow, Approval Processes) and resolved 10+ test cases during training.

PROJECTS

College Admission Management System

- Developed a Java-based Admission Management System with JDBC and MySQL, implementing secure CRUD operations using PreparedStatement to prevent SQL injection.
- Automated workflows with status tracking, validation, and exception handling, cutting manual effort by 90% and improving speed and accuracy.
- Tested and deployed on MySQL Workbench, managing 50+ admission records with high reliability and scalability.

Salesforce Student Management CRM — Neerja Modi School

- Customized 3 Salesforce objects (Student, Parent, School) with 10+ fields each using Object Manager.
- Configured object relationships using Lookup fields to ensure data linking.
- Designed Lightning App Pages & Record Pages for efficient record handling.
- Applied Object Manager, Validation Rules, and Page Layouts to simplify admin tasks.

Java Quiz Game

- Developed a 5-question console quiz game in Java using OOPS, arrays, loops ,and switch statements.
- Built response validation and scoring logic to display answers in real-time, improving input accuracy by 100%.

TECHNICAL SKILLS

- **Languages** : Java, C, Python ,SQL
- **Web Technologies** : HTML , CSS , REST API
- **Tools** : Visual Studio Code, IntelliJ IDEA, GitHub/Git , Eclipse
- **Soft Skills** : Teamwork , Emotional Intelligence , Collaboration

CERTIFICATES

- Salesforce Developer – AU Future Skills
- Java (Basic) – HackerRank
- SQL – HackerRank
- OOPS in Java – Simplilearn
- Emotional Intelligence, Introduction on Intellectual Property To Engineers and Technologists – NPTEL

ACHIEVEMENTS

- Salesforce Trailhead: Admin Beginner – 5000+ Points
- 50% Merit Scholarship – Poornima University

EDUCATION

Bachelor of Computer Application (BCA)

2023-Present

Poornima University

Jaipur, Rajasthan
