## Career Objective

---

I would like to implement my innovative ideas, skills and creativity for accomplishing the Project.

## Education

---

<b>Bachelor's of computer application,</b> <i>SR nagappa shetty memorial national college of applied science</i>	2025 Karnataka,India
<b>PUC,</b> <i>Vikasa pre-university college</i>	2022 Karnataka,India
<b>SSLC,</b> <i>Sri ramakrishna vidhyaniketana school</i>	05/2019 – 2020 Karnataka,India

## Skills

---

### SQL

- Good knowledge on DBMS and RDBMS concepts.
- Hands on experience on writing queries.

### Web Technology

- Extreme knowledge on HTML

### Java

- Good knowledge on Logical Programming.

## Projects

---

<b>Automated audio vedio merging</b>	04/2025 – 04/2025
This project introduces a user-friendly Python-based application designed to add background music to video files. Built using the Tkinter library for the graphical user interface and MoviePy for multimedia processing, the tool allows users to seamlessly combine video and audio files with minimal effort. The goal is to simplify video editing tasks, making them accessible even to users with no prior multimedia editing experience.	

## Languages

---

- Kannada
- English
- Tamil
- Hindi

## Hobbies

---

- cricket
- Vedio games
- Chess

**Strength**

---

- Team leader
- Quick learner

**Declaration**

---

I hereby declare that the above information is true to the best of my knowledge and belief.
