## EDUCATION

### Gayatri Vidya Parishad College of Engineering

Visakhapatnam, IND | Jun 2023

BACHELOR OF TECHNOLOGY - ELECTRONICS AND COMMUNICATION - CGPA: 7.9

Coursework: Python Programming, Data Structures and Algorithms, Internet of Things

## PROJECTS

### RESUME BUILDER

DJANGO, CLAUDE AI, REACT JS, POSTGRESQL, DOCKER

- Built a **Resume Builder** app, generating **50+ resumes** with **Claude AI**.
- Crafted a responsive UI using **HTML**, **CSS**, **JavaScript**, managing **20+ user records** with **Django** and **SQL**.
- Deployed Claude AI** to streamline resume optimization, cutting editing time by **40 hours monthly** and improving relevance.

### VIDEO STREAMING PLATFORM

REACT JS, TAILWIND, ROUTER, CONTEXT API

- Built a video streaming application using **React JS** that implements advanced search optimization.
- Integrated **live chat** feature to facilitate real-time communication between users, increasing user interaction by 35%.
- Optimized the average response time to less than **100 ms** by minimizing redundant API calls.

### CLASS CONNECT

DJANGO, POSTGRESQL, HTML, CSS, JAVASCRIPT

- Developed a **Django-based** web platform enabling seamless interactions between **100+ students** and **20 teachers**, enhancing academic collaboration.
- Integrated an **attendance tracking system** ensuring 100% participation recording throughout the academic year.
- Streamlined **placement management**, overseeing **20+ job opportunities** and improving student career success.

## ACHIEVEMENTS & CERTIFICATIONS

- Solved over **500** problems on **Leetcode** and **250+** on other coding platforms.
- Ranked in the top **30%** on Global Leetcode Rankings.
- Earned the **Merit Certificate** for outstanding performance in the **Tech Expressway Program** - Accenture.
- Programming by **Python** - **Cisco** certification.
