

Pooja Kshirsagar

Senior Systems Engineer

Ph: +91 9604478561 | Email: poojayash36@gmail.com

SUMMARY AND TECHNICAL SKILLS

- Dedicated and detail-oriented Front End Developer with over 3.6 years of hands-on experience in designing, implementing, and maintaining, responsive, scalable Front End systems. Proficient in **Angular**, **Angular material**, and a variety of tools such as **SonarQube**, **Sonar Lint**, **Jenkins**, **Jasmin**, and **Git/GitHub**. Proven ability to work in **Agile** environments and deliver high-quality software solutions.
- Proven expertise in **learning, developing, and deploying scalable** applications that drive business growth.
- Integrated frontend with backend services developed in Java using Spring Boot, ensuring seamless data flow and performance optimization.
- Collaborated with cross-functional teams to design and implement RESTful APIs for various modules
- Proficient in transforming intricate requirements into sustainable code while working with cross-functional teams to deliver successful project results.
- Responsive Web Design

TECHNOLOGIES

- **Languages:** HTML, CSS, JavaScript, Typescript.
- **Frameworks:** Angular, Jasmine
- **Tools:** SonarQube, Sonar Lint, Postman
- **CI/CD:** Jenkins
- **Version Control:** Git/GitHub
- **Methodologies:** Agile

WORK EXPERIENCE

- **Senior Systems Engineer, Infosys Ltd, Pune (Frontend Developer)** *NOV 2021 – Present*
Client: Mercedes-Benz (Daimler)
- Developed and maintained multiple Angular applications, including a client-facing dashboard and internal tools.
- Implemented new features and enhancements based on user feedback, resulting in improved user satisfaction.
- Worked closely with backend developers to integrate frontend interfaces with RESTful APIs.
- Conducted code reviews and provided feedback to ensure code quality and adherence to best practices.
- Collaborated with UI/UX designers to create visually appealing and intuitive user interfaces.
- Contributed to the documentation of project requirements, technical specifications, and coding standards.
- Actively engaged in learning new technologies and techniques to enhance development skills.

- Set up and managed CI/CD pipelines with Jenkins for automated build and deployment processes.
- Implemented several atomization in Jenkins pipeline for different environments for controlled deployments and to stabilize the environment for better performance.
- Implemented scheduled job Jenkins pipeline to maintain the code quality and to avoid pipeline failures at the time of environmental deployments.
- While working in agile methodology participated in DSM, retrospective, and refinements to deliver high-quality applications and for continuous improvement.
- Writing Junit test cases using the Jasmin framework to test the developed functionality.
- Testing API's using the Postman tool.

- **Software Engineer, Ashore Systems Private Limited, SB Road, Pune**

May 2021 –Oct 2021

- Develop web pages using Codigniter, PHP, HTML, and CSS.
- Contributed to the implementation and optimization of MYSQL databases.
- Develop a web page responsive.

ADDITIONAL INFORMATION

- Good problem-solving and analytical skills.
- Excellent collaboration abilities.
- Proven ability to work in a fast-paced, Agile development environment.
- Proven ability to help team members with functionality-related clarifications to achieve the team goal which was finalized at the time of Sprint planning.
- Keen interest in knowing the actual business which will be achieved by developing the application to work in that way.

Learning

- React JS & JSX

EDUCATION

- ◆ **Post Graduation in MCA**
JSPM RSCOE, Tathwade, Pune

- ◆ **Bachelor of BCA**
HVPM ,
Amravati

ACHIEVEMENTS

- **INSTA Award of VERSO Program** for good writing Testcase.

PERSONAL DETAILS

- **Full Name:** Pooja Kshirsagar
- **Date of Birth:** 4 Aug 1997
- **Gender:** Female
- **Languages Known:** English, Hindi & Marathi

I hereby declare that the above-mentioned information is correct up to my knowledge and I bear the Responsibility for the correctness of the above-mentioned particulars.

Yours faithfully,

Pooja Kshirsagar
