

Suraj Giri

Java Developer

surajgiri55446@gmail.com | +91 9536990114 | Kashipur, Uttarakhand | Github | LinkedIn

Professional Summary

Highly motivated Java Developer skilled in building scalable full-stack applications using Spring Boot and React. Experienced in developing RESTful APIs and working on AI solutions using Spring AI. A quick learner with strong problem-solving and debugging skills.

Professional Experience

Java Developer Restope	05/2025 - 10/2025 Kashipur
<ul style="list-style-type: none">Developed RESTful APIs supporting CRUD operations for user management and order processing, decreasing client-side data-fetching time by 15%.Optimized data aggregation by implementing Rest Template for third-party RESTful API integration in Spring Boot, improving system efficiency by 28%.Collaborated with front-end developers and QA engineers in a fast-paced environment, contributing to a 20% increase in project delivery speed.Deployed a software update that reduced system errors by 30% and improved performance by 25%.	

Education

Shri Ram Institute Management and Technology Bachelor of Computer Applications	08/2022 - 07/2025 Kashipur
------------------------------------------------------------------------------------------	-------------------------------

Projects

- Quick Invoice-Online Invoice Generator** [🔗](#)
- Built an invoicing system that automates PDF generation, significantly reducing manual effort.
 - Enabled invoice creation, update, download, and deletion using REST APIs and a React-based UI.
 - Implemented Clerk-JWT authentication with SMTP, achieving 99% email delivery success.
- Job Portal System** [🔗](#)
- Developed a job portal using Spring Boot, Hibernate, Thymeleaf, and MySQL.
 - Implemented advanced search with filters and pagination, improving job discovery efficiency by 40%.
 - Integrated a resume management feature for uploads and filtering, streamlining the hiring process.
- Money Management Application** [🔗](#)
- Visualized financial data via interactive Recharts dashboards, enabling real-time analytics.
 - Boosted data analysis efficiency by 25% through advanced search and filtering modules.

Skills

Programming Language: Java, JavaScript

Frameworks: Spring Boot, Spring MVC, Spring AI, Hibernate, React

Databases: MySQL, MongoDB

Tools & Platforms: Git, GitHub, Docker, Postman, GitHub, Google Cloud Platform (GCP), Maven

Additional Information

Language: Hindi, English

Certifications & Awards

Java Programming Certificate
