Mother Mary's School , New Delhi Senior Secondary School Percentage: 91.4%	April 2017 – April 2018

PROFESSIONAL EXPERIENCE

Software Engineer Newgen Software , Noida	July 2024 - Present
<ul style="list-style-type: none">During my tenure at Newgen Software, I was instrumental in driving forward the development and optimization of software solutions that catered to the company's diverse client base.My role encompassed a broad range of responsibilities, including the design, development, and implementation of software applications that aligned with the strategic goals of the organization.	
Software Engineer Trainee Newgen Software , Noida	January 2024 – June 2024
<ul style="list-style-type: none">As a Software Engineer Trainee at Newgen Software, I was actively involved in a dynamic team environment where I contributed to the development and optimization of software applications. My responsibilities included writing clean, efficient code under the supervision of senior engineers.	

SKILLS

Programming Languages: Python, Java, C++, HTML, CSS, Kotlin, XML
Libraries/Frameworks: JavaScript, ReactJS, NodeJS, ExpressJS, Bootstrap
Databases: MySQL, MongoDB, Oracle
Tools / Platforms: Android Studio, VSCode

PROJECTS

Gesture-Based Virtual AI Mouse Link	Python, OpenCV
The virtual mouse project built using Python with cvzone and mediapipe libraries allows you to control the mouse cursor on your computer using hand gestures detected by a webcam.	
To-Do List Link	ReactJS, MongoDB, EJS, HTML, CSS
The ToDo List application is built on a robust stack of Node.js, Express.js, and Mongoose, offering a user-friendly task management solution. It leverages Express for server-side routing and handles incoming requests, while Mongoose provides seamless integration with a MongoDB database.	
Notes-App Link	ReactJS, HTML, CSS
The Notes app is built with React, HTML, and CSS and is a simple web application that allows users to create, view, and delete notes. It leverages these technologies to create an interactive and dynamic user interface for managing personal notes.
