Work Experience

Reax Technology Platforms Pvt Ltd

Remote

FRONTEND ENGINEER - L4

Sep. 2023 - Present

- Developed and maintained a real estate brokerage platform using **React.js**, **Next.js**, **React Native**, and **Tailwind CSS**, along with testing frameworks such as **Jest** and **Playwright**.
- Improved platform performance by fixing critical issues, refining **UI components**, and contributing to major **UI/UX redesign** initiatives.
- Collaborated across **Product**, **Design**, and **Backend** teams to ensure a high-quality **user experience** and maintain consistent **design standards**.
- Adapted to dynamic project requirements and delivered **efficient**, **scalable**, and **maintainable frontend solutions** using modern **development practices**.

KoineArth

Bengaluru, karnataka

FRONTEND DEVELOPER

Nov. 2021 - Aug. 2023

- Developed features and enhanced the UI of **ngagen.com** using **React.js**, **Next.js**, **Material-UI**, **Elastic UI**, **Tailwind CSS**, and **Auth0** for authentication.
- Independently built the **NgageN Dashboard** from scratch, delivering a clean, responsive, and functional **user experience**.
- Led and guided the frontend team in architecting and developing the **NgageN-v3 Store Admin** application from the ground up using modern **React** and **component-driven development** practices.
- Created a scalable and customizable **white-label NFT platform** to support multi-client deployments, enabling rapid onboarding and branding flexibility.

Truexam

Remote

JR FRONTEND DEVELOPER

Oct. 2020 - Sep. 2021

- Independently developed **Classroom Connect**, a hybrid mobile application using **React.js**, **Ionic Framework**, **TypeScript**, and **SCSS**, from concept to **Google Play Store** launch.
- Led end-to-end **feature development**, UI enhancements, and **production deployment**, ensuring a stable and user-friendly experience across devices.
- Collaborated directly with the **CEO** and **CTO** to define the **product vision**, prioritize the **feature roadmap**, and drive continuous **UX improvements**.
