PROFESSIONAL SUMMARY

Passionate and performance-driven Frontend / Full Stack Developer with over 2.7 years of experience building scalable, responsive and user-friendly web applications using React.js, Tailwind CSS, and Java Spring Boot. Proficient in modern UI development, REST API integration, state management, and testing with React Testing Library. Adept at delivering clean, maintainable code while aligning solutions with business goals and user needs.

TECHNICAL SKILLS

Programming Languages: JavaScript (ES6+), TypeScript, Java, HTML, CSS

Frontend Technologies: React.js, Redux, Context API, React Testing Library, Tailwind CSS, Responsive Design,

Backend Technologies: Java, Spring Boot

Tools: Git, GitHub, JIRA, Figma, Jenkins, SonarQube

Databases: MySQL

Methodologies: Agile/Scrum, RESTful API Integration, Cross-browser Testing, Component-driven Development

PROFESSIONAL EXPERIENCE

Software Engineer

Jan 2023 - Present

I-exceed Technology Solutions Pvt Ltd

Bangalore

- Developed and deployed modern banking UIs using React.js and Tailwind CSS, enhancing customer onboarding efficiency by 35%.
- Integrated frontend with Java Spring Boot APIs, enabling seamless and secure data operations for banking workflows.
- Implemented scalable state management solutions using Redux and Context API, improving code maintainability and reducing development time by 30%.
- Applied React Testing Library to test key UI components, focusing on user interactions and form validations to enhance reliability and reduce bugs by 25%.
- Ensured cross-browser compatibility to deliver a consistent user experience across all major platforms.
- Collaborated with designers via Figma, utilized Git and GitHub for version control, and participated actively in Agile/Scrum ceremonies to ensure timely delivery.
- Optimized UI performance and introduced reusable design patterns, reducing page load times by 30% and improving scalability.
- Contributed to code reviews and implemented component-driven architecture, enhancing team productivity and code quality.

EDUCATION

Bachelor of Technology– Computer Science Engineering

2022

Pragati Engineering College, AP | CGPA: 8.24

Diploma– Computer Management Engineering

2019

Dr. B.R.A.G.M.R Polytechnic College, AP | Percentage: 90.55%

Secondary School(SSC)

2016

Divya Public School, AP | CGPA: 9.7

ACHIEVEMENTS

- Received “Best Team” award for consistent delivery and adherence to high-quality standards.
- Reduced UI-related support tickets by 25% through improved testing practices and responsive design implementation.
