## PROFESSIONAL SUMMARY

Motivated Software Engineer with practical experience in full-stack web development using Java, JavaScript, HTML, CSS, React.js, Node.js, and MySQL. Skilled in object-oriented programming (OOP), API integration, responsive UI design, and database management. Strong problem-solver with excellent teamwork and communication skills. Seeking to contribute to innovative, scalable, and high-performance software solutions.

## EDUCATION

- Bachelor of Technology (B.Tech) in Computer Science and Engineering — Maharishi Markandeshwar University (Sept 2021 – Apr 2025) — CGPA: 7.08 / 10
- Intermediate (12th) — Rajdev Singh Inter College, Siwan (Apr 2018 – Mar 2020)
- Matriculation (10th) — H/S Chchakhata, Siwan (May 2016 – Mar 2018)

## TECHNICAL SKILLS

**Programming Languages:** Java, JavaScript, HTML5, CSS3

**Frameworks & Tools:** React.js, Node.js, Express.js, Git, GitHub, VS Code, REST APIs

**Databases:** MySQL, MongoDB, DBMS

**Concepts:** Object-Oriented Programming (OOP), Frontend & Backend Development, Full Stack Development, API Integration, Responsive Web Design, SDLC, Agile Methodology, UI/UX Design, Deployment & Debugging

## PROJECTS

- **E-Commerce Website — Full-Stack Web Application**  
Tech Stack: HTML, CSS, JavaScript, SQL, Node.js  
Developed a fully functional e-commerce platform with product listings, shopping cart, order management, and payment gateway integration. Implemented user authentication, database connectivity, and secure transaction workflows using SQL. Focused on performance optimization and cross-device responsiveness.  
GitHub: [github.com/niraj00122/ecommerce-project](https://github.com/niraj00122/ecommerce-project)
- **Mobile Calculator Web App — Responsive Frontend Project**  
Tech Stack: HTML, CSS, JavaScript  
Built a responsive calculator web app supporting basic and advanced arithmetic operations. Optimized for mobile and tablet compatibility using flexible layouts and media queries. Enhanced UI for seamless usability and minimal load time.

## EXPERIENCE

### Web Development Intern — Elearningit.in

Worked on real-world client projects using HTML, CSS, JavaScript, and MySQL. Assisted in front-end design implementation and cross-browser compatibility testing. Collaborated with the team following the Agile development process for project delivery. Improved website performance by optimizing database queries and page rendering speed.

## CERTIFICATIONS & ACHIEVEMENTS

- Infosys Certified — Completed 5 certifications in Java Development, Frontend Design, and Database Management.
- Codesoft Internship Certificate — Web Development Internship.
- Winner, AIU Cricket Tournament — Team Captain (University Level).

## LANGUAGES

English, Hindi

**HOBBIES** Cricket, Listening to Music, Reading Tech Blogs
