PROFESSIONAL PROFILE

Software Engineer with practical experience in building, testing, and optimizing software solutions. Quick to grasp new technologies and adapt to evolving project needs, with a strong foundation in programming, debugging, and collaborative development. Eager to contribute to team success and grow professionally through continuous learning.

TECHNICAL SKILLS

- Programming & Core Concepts:
Java (Core, OOPs, Multithreading), Data Structures & Algorithms, SQL, Python
 - Frameworks & Backend:
Spring Boot, Hibernate/JPA, RESTful APIs, SOAP Web Services, Microservices concepts
 - Databases:
MySQL, PostgreSQL, DBMS
 - DevOps, Cloud & Tools:
Git, GitHub, Jenkins, Linux (Shell & Deployment), AWS
 - Testing & Logging:
Postman, SOAP UI, JUnit, Logging concepts (Logback/SLF4J)
 - Data Formats:
JSON, XML
-

WORK EXPERIENCE

Associate Software Engineer
Infinite Computer Solutions, Chennai

March 2024 - July 2025

- Developed Java-based backend services and RESTful APIs using Spring Boot, following modular and clean coding practices.
- Implemented CRUD operations and optimized SQL queries using Hibernate/JPA with relational databases.

- Integrated backend services with external and front-end systems using JSON/XML.
 - Performed API testing and validation using Postman and SOAP UI, with basic unit testing using JUnit.
 - Applied OOP concepts, collections, and DSA principles to build efficient and maintainable solutions.
 - Supported debugging, logging, and issue triaging to improve application stability and performance.
 - Assisted in Linux-based deployments within VNF/CNF environments and worked with Jenkins (basic) during release cycles.
 - Collaborated in Agile/Scrum ceremonies, working closely with QA and senior developers.
 - Used Git and Jira for source control, task tracking, and defect management.
 - Created and maintained technical documentation for APIs and deployment processes.
-

INTERNSHIPS

Vbind Innovation - Developer Intern

June 2022 - Sep 2022

- Developed and maintained responsive websites using HTML, CSS, and JavaScript, improving cross-browser compatibility and reducing page load issues by 15%.
 - Improved front-end design and interactivity, resulting in 15% higher user engagement and positive client feedback.
-

EDUCATION

Velammal Engineering College, Chennai – B.E. CSE, CGPA 9.1

May 2024

Everwin Mat. Hr. Sec. School, Chennai. Class XII - Percentage 86.8

May 2020

Everwin Mat. Hr. Sec. School, Chennai. Class X - Percentage 96.2

May 2018

LANGUAGES

- Tamil
 - English
-

SOFT SKILLS

- Communication, Team Collaboration, Problem-Solving, Adaptability
