## OBJECTIVE

---

BCA graduate with expertise in Python, Django, SQL databases, JavaScript and WordPress. Experienced in Front-end and full-stack development, including building scalable web applications and managing databases. Successfully developed 5+ projects like GTG Perfume Multi-section website showcasing a product, Movie hub and a Tourism management system. Passionate about solving complex problems and delivering high-performance solutions.

## SKILLS

---

- Programming Languages : Python
- Web Technologies : HTML5, CSS3, JavaScript, Django, WordPress
- Database Systems : MySQL
- Software Development Tools : VS code, Git, GitHub

## EXPERIENCE

---

### WordPress Developer Intern

Yellafin Private Limited | March 2025 – June 2025

As a WordPress Developer Intern, I assist in designing and developing 10+ responsive websites using WordPress, collaborate with 3+ senior developers to customize themes and integrate 20+ plugins, and participate in optimizing website performance to enhance user experience and SEO, improving loading speeds by 80%.

### Web Developer Intern

Ignite Intern | May 2024 - June 2024

Gained hands-on experience in a one-month of internship at Ignite, developing 3+ web pages using HTML, CSS, and JavaScript. Contributed to a team-driven project, debugging and optimizing code in VS Code, improving website performance by 50%. Enhanced problem-solving, adaptability and collaboration skills while meeting project deadlines.
