Professional Summary

Frontend Web Developer skilled in building responsive and user-friendly interfaces with HTML, CSS, JavaScript, and Tailwind CSS. Expanding full-stack skills with Java, JSP/Servlet, and MySQL. Strong focus on UI/UX, performance optimization, and Agile teamwork.

Technical Skills

Languages: HTML5, CSS3, JavaScript, Java

Frameworks/Libraries: Tailwind CSS, React.js

Tools: Git, GitHub, VS Code, Eclipse

Currently Learning: JSP, Servlets, MySQL

Other Skills: Responsive Design, UI/UX Principles, Team Collaboration

Projects

Car and Bike Management System (Group Project – Semester 1)

[GitHub Repo](#)

- Developed 10+ responsive web pages for a vehicle rental platform, improving navigation speed by 30%.
- Collaborated with 4 teammates using Agile sprints to reduce UI inconsistencies by 40%.
- Implemented filters and booking flow to enhance user experience and reduce page exits by 25%.

My Daily Space (Group Project – Semester 2)

[GitHub Repo](#)

- Engineered 5+ full-stack modules using JSP, Servlets, and MySQL for persistent data storage.
- Built a secure login system with session tracking, minimizing unauthorized access by 80%.
- Integrated task-tracking and note-saving features used by 50+ demo users.
- Designed custom dashboard views for notes, improving daily usage efficiency by 35%.

Experience

Full Stack Web Development Intern – Corizo Edutech, Delhi

Nov 2022 – Dec 2022

- Completed 12+ real-world tasks involving frontend (HTML, CSS, JavaScript) and backend (Java, JSP, MySQL).
- Built and integrated modules including authentication, dashboard interfaces, and MySQL data handling.
- Collaborated in live coding sessions and project discussions, enhancing full-stack proficiency.
- Created reusable components and templates, reducing development time by 30%.

Education

MIT World Peace University – MCA (Pursuing)

Aug 2024 – June 2026

Master of Computer Applications – Computer Science

Bhagwan Mahavir University – BCA

Aug 2021 – June 2024

Bachelor of Computer Applications – Computer Science

CGPA: 7.27 / 10.00

Certifications & Achievements

- Internship Certificate – Corizo Edutech (Completed 30-day training; delivered 3+ UI modules).
- Experience Certificate – Corizo Edutech (Worked on real-world projects under mentorship).
- Letter of Recommendation – For outstanding UI delivery and teamwork.
