## WORK EXPERIENCE

---

### Freelance Software Developer

*Nov 2024 - Present*

- Developed React.js applications and Flutter mobile solutions for multiple clients.
- Delivered custom software solutions remotely, maintaining high code quality and meeting client requirements.

### Software Developer Intern, Acharya Institute of Technology

*Nov 2023 - Oct 2024*

- Developed and implemented multiple modules for both mobile and web projects.
- Collaborated with cross-functional teams to deliver innovative software solutions within project deadlines.

## PROJECTS

---

### CURIOSENSE Innovations Website (React, JavaScript, PostgreSQL)

*2024*

- Developed responsive web platform for CURIOSENSE Innovations, enhancing user engagement.
- Implemented secure authentication and role-based dashboards for administrators, teachers, and students.

### Alive App (Flutter, MongoDB, Express, Postman API)

*2024*

- Developed Learning Management System app serving over 1,000 students and faculty.
- Implemented secure authentication using college ID credentials and optimized API calls.

### MTEC Website (React, JavaScript, Tailwind CSS)

*2024*

- Implemented responsive design ensuring seamless user experience across devices.
- Deployed International paper conference website on official college server with strict security requirements.

### Acharya Psychometric Test (PHP, SQLite, Bootstrap)

*2023*

- Designed psychometric testing platform for Acharya Uzbekistan, assessing over 500+ students.
- Developed custom reporting tools for psychiatrists and implemented secure data storage solutions.

## CERTIFICATIONS

---

• Full Stack Frontend (Coursera Badge Certified)

*2024*

• Developing Front-End Apps with React (IBM via Coursera Certified)

*2024*

- Data Base Management System (NPTEL Certified)

2023

## EDUCATION

---

**Master of Computer Applications (MCA)**, Acharya Institute of Technology

2022 - 2024

Relevant coursework: Database Systems, Cloud Computing, App Development, Agile Techniques

**Bachelor of Computer Applications (BCA Hons.)**, St. Joseph University

2019 - 2022

Graduated with honors; Capstone: Intelligent Healthcare App (Android Studio, Java, Firebase)
