

MAHAMMAD IBRAHIM ASBAK

DATA ANALYSTICS

ashpaacchu@gmail.com | www.linkedin.com/in/mahammad-ashpaq-72a97b2b3

Mangalore, Karnataka, 574323, India | 07026426129

Detail-oriented and analytical individual with a strong foundation in data analysis and statistical methods. Recently completed Data analytics internship where I developed skills in data cleaning, visualization, and interpretation using tools such as Advanced Excel, SQL, Python, Power BI. Proven ability to apply analytical thinking to solve complex problems and communicate insights effectively. Eager to leverage academic knowledge and enthusiasm for data analysis to contribute to a dynamic team and drive data-driven decision-making.

Work Experience

Data analytics intern

Jun 2024 - Present

[calypso innovation](#) | Mangalore

Supported the data analytics team in collecting, processing, and analyzing data to generate actionable insights for the company. Assisted in data cleaning, creating and maintaining dashboards, and contributed to reports that helped drive strategic decisions.

Web developer intern

Present

[Accolade tech solution](#) | Mangalore

Enthusiastic and detail-oriented Web Developer Intern with a foundational knowledge in web development technologies and programming languages. Recently completed coursework and hands-on projects involving HTML, CSS, Java script and modern frameworks such as React or Angular. Demonstrated ability to build responsive, user-friendly websites and applications, with a strong understanding of front-end and back-end development principles. Eager to apply technical skills and a passion for web development to contribute to a dynamic team, learn from experienced professionals, and support the creation of innovative digital solutions.

Projects

Retail sales analysis

Present

Analyzed purchasing behavior to segment customers into groups based on demographics, buying patterns, and preferences. This allowed for targeted marketing campaigns and personalized offers.

Used data to recommend products to customers based on their past purchases and browsing history, increasing the likelihood of additional sales.

Core Skills

Power BI, MYSQL, Advanced Excel, HTML, CSS, Microsoft power point, Communication, UI/UX
